Giving a Gift of Securities to Fairview

Gifts of securities such as stocks, mutual fund shares, or other appreciated assets can be a tax efficient method for making a gift to Fairview. In most instances, you can typically take a tax deduction for the full market value of the gift and avoid any capital gains tax. Here is a quick guide to ensure the successful execution of your unrestricted, publicly traded securities.

If you physically hold certificates complete only the signature section on the reverse side of the stock certificate and send to:
